### **A Note to Our Readers:**

*We believe that leaders cannot be effective without a strong and ongoing commitment to mentoring excellence. This belief, our passion for mentoring excellence, and our extensive experience in the field with organizations led us to create the Center for Mentoring Excellence.*

*At our virtual center, [www.centerformentoringexcellence.com](http://www.centerformentoringexcellence.com), you will find mentoring tools and resources, expert advice and a forum for sharing best mentoring practices. We hope that you will visit us there and let us know how we can continue to help you raise the bar on mentoring in your organization.*

With back-to-school on everyone's mind this month, let's take a little time to reflect on what school is all about: learning! Whether you're still in school or not, it's important to never stop learning. Keeping ourselves open to new ideas and new experiences is what makes us better leaders, better mentees and better mentors.

It's in that spirit that we share a few of our latest blog posts with you. We hope you learn something new!
