AN ONLINE COURSE FOR SUCCESSFUL MENTEE AND MENTOR PARTNERSHIPS

## the BENEFITS

Mentoring programs offer a huge return on your organization's investment: higher rates of retention, productivity, recruitment, job satisfaction, career development and leadership competency.

## the CHALLENGE

Training is essential to making the most of mentoring, but global & multinational organizations can't often bring their mentors and mentees together in one location.

## the SOLUTION

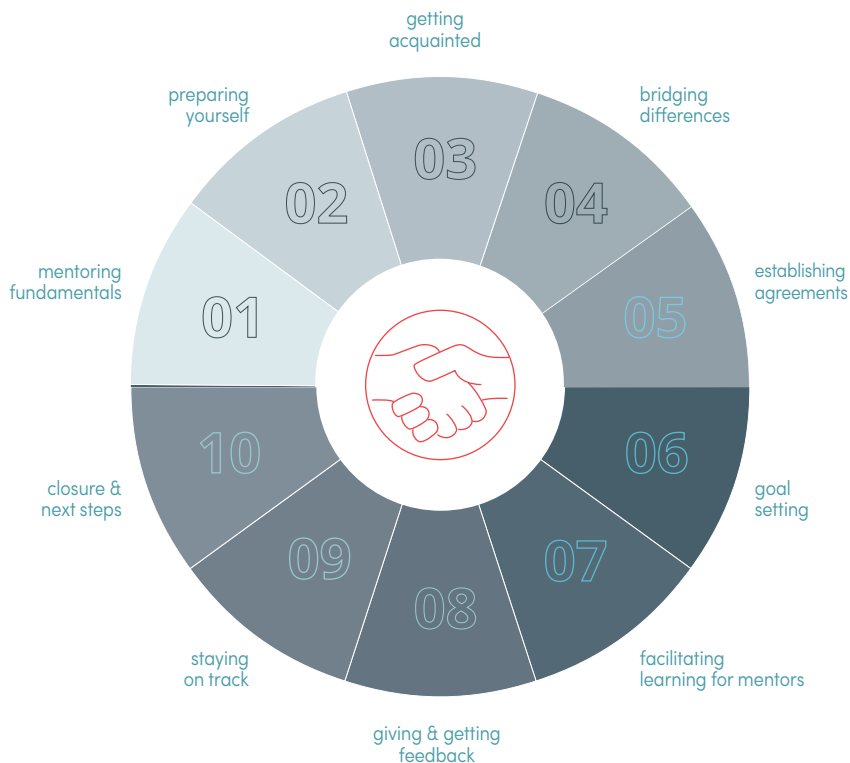

An online course in ten short interactive modules designed to provide best practices and just-in-time guidance to Mentors & Mentees throughout their mentoring relationship.

## who should participate in this online course?

- Mentors and mentees who are beginning their mentoring relationship
- Mentors and mentees already in a mentoring program who want to strengthen their relationship

**Starting Strong: What You Need to Know & Do** provides the knowledge, tools and strategies mentors and mentees need to be successful.

## THE TEN MODULE PROGRAM

The Center for Mentoring Excellence (CME) provides mentoring expertise and thought leadership for mentors, mentees and organizations across the globe. CME offers a unique blend of coaching, consulting, training and facilitation that delivers more effective mentoring outcomes and better business results.
