

Creating a Mentoring Culture

Is your organization beginning its mentoring journey?

Are you looking to create a culture that supports, sustains and encourages formal and informal mentoring initiatives?

In this 45-minute keynote, your audience will learn what it means to create a culture of mentoring, why it is important, and what practical steps leaders can do to align mentoring with other strategic initiatives. Attendees will also discover what it takes to authentically support and champion mentoring.

KEYNOTE

This keynote is a great compliment to our **Creating a Mentoring Culture Workshop**. It can be delivered as a stand-alone, a kickoff to your mentoring initiative, or a preface to the workshop.
